

YOUR PRE-TRAVEL CHECKLIST

Navigating travel requirements can be challenging, that's why we've put together this handy checklist to help you prepare for your upcoming trip. All travel requirements must be satisfied to travel, so we recommend completing each item as soon as you can to ensure your Costsaver tour is worry-free and effortless.

BOOK YOUR TRIP

COMPLETE TRIP REGISTRATION

Log into the My Costsaver portal and complete Trip Registration for all guests traveling with you. This information is required to release your Travel Documents and will be used to contact you in the unlikely event of an emergency.

PURCHASE TRAVEL INSURANCE

We strongly recommend you obtain travel insurance covering all applicable dates of travel with Costsaver. Please contact your preferred insurance travel provider.

REVIEW WELL-BEING PROTOCOLS

Get peace of mind with our approach to health and well-being while traveling. Review our protocols at www.costsavertour.com/wellbeing.

CHECK CURRENT TRAVEL RESTRICTIONS

It is important, and your responsibility, to stay well-informed about requirements and guidelines for the countries you are traveling to and from. Some countries require proof of a negative COVID-19 test, regardless of vaccination status, before travel; some countries require specific types of tests. Due to the rapid change of travel restrictions, we recommend you check www.costsavertour.com/sherpa frequently and verify travel/entry requirements up until your departure.

Airline requirements may vary for boarding, please validate directly with the airline prior to check-in.

CONFIRM YOUR VACCINE STATUS

All guests traveling with Costsaver through December 31, 2022 are required to be fully vaccinated against COVID-19, which may include a booster shot to keep it current and valid.

Until further notice, children not eligible for vaccination and/or booster at the time of travel must provide a verifiable negative Covid-19 test result (electronic or paper showing date and time of test) taken within 72 hours prior to the start of the tour (taking time zones into consideration).

For guests traveling with Costsaver from 1 January 2023, Covid-19 vaccinations and boosters are highly recommended, but no longer required.
