CHECK CURRENT TRAVEL RESTRICTIONS

For all guests traveling with Costsaver, COVID-19 vaccinations and boosters are no longer required, but highly recommended.

It is important, and your responsibility, to stay well-informed about requirements and guidelines for the countries you are traveling to and from. Some countries require proof of a negative COVID-19 test, regardless of vaccination status, before travel; some countries require specific types of tests. Due to the rapid change of travel restrictions, we recommend you check www.costsavertour.com/sherpa frequently and verify travel/entry requirements up until your departure.

Airline requirements may vary for boarding, please validate directly with the airline prior to check-in.

Also, please note that some restaurants and venues may have more restrictive policies, which all guests will need to comply with.
